

Minutes of the Meeting of Central Facility Committee (CFC) held on 30th May 2019 at 3:00 PM in the Board Room

Members present: Profs. M Balakrishnan (DDS&P), B.R. Mehta (Dean, R&D), Sameer Sapra (Assoc. Head, CRF), N G Ramesh, Manidipa Banerjee, Ashwini Agrawal (Ex Head, CRF) and Pankaj Srivastava (Head, CRF)

The following points were discussed:

The agenda of the meeting was the Budget approval of CRF IIT Delhi Hauz Khas and Sonapat campuses for the year 2019-2020 and discussion on user report and performance of all facilities available under CRF.

The following points were discussed:

1. The utilization of HEFA fund was discussed. The CFC was informed that a fund of Rs. 65 crores was approved from HEFA, out of which Rs. 56.77 crores is utilized (some files are under process) (Annexure 1).
2. It was informed that, out of Rs. 5 crores (from different sanctioned heads), Rs. 3.5 crores was spent for the operation of different CRF facilities for the year 2018-19 and Rs. 1.5 crores is the unspent amount (Annexure 2)
3. The revenue generated from internal as well as external users was presented.
4. The feedback received from the internal users from the last 8 months was presented. The CFC suggested that the feedback values should not be rounded off.
5. The proposed budget for the year 2019-2020 of different CRF facilities was presented and discussed. It was also brought to the notice of CFC that some of the facilities (AFM, MALDI, ESI-LCMS, FACS, and XRD) are either non-functional or their usage is not up to the mark in comparison to the budget allocated to them in last financial year. The CFC authorized the Head CRF to release funds for such facilities judiciously depending on their usage and functionality – the first installment will be released to make the instruments functional.
6. The CFC was informed that Rs. 6.20 lakhs were spent to make the FTIR (an adopted facility of CRF, located in the Chemical Engineering Department) functional in the last financial year. However, on examining the set-up the service engineer found that in order to make the system functional some more parts amounting to Rs. 12 lakhs need to be replaced. Since, the amount required is significant and recently a new FTIR had been installed as a central facility, the CFC decided that CRF would bear 50% of the demand to

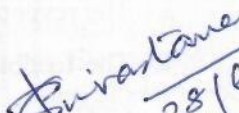

repair the FTIR of Chemical Engineering Department provided the remaining 50% is borne by the Department.

The following decisions were taken:-

1. The committee approved a budget of Rs. **15.373** crores under MI01116 for the year 2019-20 for the existing facilities as per the requirements sent by the various facility coordinators (Annexure 3).
2. The committee approved the Project Staff positions for CRF IIT Delhi and Sonapat campuses for running and maintenance of facilities (Annexure 4). The committee also approved the Project Staff position for Makerspace, IIT Delhi (Annexure 5).
3. The committee recommended that some of the senior/experienced staff should be considered for professional allowance and personal benefits based on their performance. This would help in retention of such staff. If approved it is recommended that a committee should be constituted for this purpose.

The meeting ended with vote of thanks to the Chair.

Annexure-1

Equipment Procured & under process from HEFA Funds

S.No	Name of Instrument	Amount (Crores)
1.	Ion Milling System	2.42 crores
2.	Femto Second Laser Cutting System	4.33 crores
3.	STM	9.0 crores
4.	PPMS	5.82 crores
5.	<i>TOF-SIMS</i>	<i>11.0 crores</i>
6.	<i>Cryoprobe for 500MHz NMR</i>	<i>3.0 crores</i>
7.	<i>EPR</i>	<i>4.0 crores</i>
8.	<i>BET Surface Area Analyzer</i>	<i>1.0 crores</i>
9.	<i>High Resolution DHM</i>	<i>0.5 crores</i>
10.	<i>Nanoparticle Tracking System</i>	<i>0.5 crores</i>
11.	<i>CD Spectrometer</i>	<i>2.0 crores</i>
12.	<i>Electrical Characterization Setup</i>	<i>13.2 crores</i>
	Total	56.77 crores

Equipment names written in italics are under process.

Annexure-2

Statement of Expenditure for "MI01116"

S.No	Sanctioned Heads	Total Approved Budget (2018-19) (in lakhs)	Exp. in 2018- 2019 (in lakhs)	Balance (in lakhs)
1.	Non-Recurring Grant	48.50	45.40	03
2.	Recurring Grant	176	188	-11.56
3.	Spares	153	17.37	135
4.	Staff Salary	130	107	22.13
	TOTAL	507.5	357.7	148.5

Annexure-3

Proposed Budget 2019-20

S.No.	Facility	Recurring (in lakhs)	Non-Recurring (in lakhs)	Spare Parts (in lakhs)	Salary (in lakhs)
1.	SEM	15	15	6	12
2.	ESI-LC-MS	12.7	1	0	6
3.	MALDI-MS	8.5	1	1	6
4.	Bio-AFM	4.2	0	0	0
5.	FACS	10	0	0	0
6.	Raman	4.5	2	22	6
7.	FESEM + EDX	10	15	8	6
8.	Solid State NMR	10.3	1	15	6
9.	Other Lab Requirements	6	8	0	0
10.	TEM-CRF	13	4	4	6
11.	TEM-CPSE	15	6	8	7
12.	TEM Grids	5	0	0	0
13.	NMR	25	3	0	0
14.	Glass Blowing	25	52	0	6
15.	Liquid Nitrogen	9	1	0	8
16.	ICP-MS	14.5	32	2	10
17.	Cryo HR-TEM	22.5	15	25	7.5
18.	Atom Probe	2	0	0	0
19.	Ultramicrotome	5	6	0	0
20.	SQUID	7	4	24	0
21.	HRTEM Block-VI	15	2.5	0	8
22.	AFM	8.6	1	0	6
23.	3D Printer	4	1	1	2.5

24.	Laser cutter	4.5	1	1	2.5
25.	XRD	13	2.5	12	0
26.	FESEM EBSD	4	17	0	6
27.	FTIR Ex-hall	2	2	0	6
28.	Femto second Laser Cutter	5	1	0	8
29.	FTIR Chemical Engineering			6	1.5
30.	CRF Administration	10	25	0	32
31.	CRF Sonipat	250	400	0	59
32.	Makers Space				25
	TOTAL	540.3	619	135.0	243
	GRAND TOTAL (in lakhs)	1537.3			

Annexure-4

S.No.	Position	Staff Salary (Annual)
1.	Sr. Project Assistant (No.-3) 2 No. for Hauz Khas Campus 1 No. for IIT Delhi Sonipat Campus	16,00,000
2.	Project Attendant (No.-2) 1 No. for Hauz Khas Campus 1 No. for IIT Delhi Sonipat Campus	6,00,000
3.	Project Assistant (No.-1) (for stores in Hauz Khas Campus)	4,50,000

Annexure-5

Positions for Makerspace, IIT Delhi

Makerspace will run in two shifts and will be available for faculty, students and staff some hours beyond office hours, and also some hours during weekends. The objective is to reduce or eliminate waiting time for any hardware prototyping requirements. To manage workspace on a sustainable basis we need to create following 5 positions on urgent basis. The appointment will be on contractual basis and renewable subject to satisfactory performance.

Post(s)	Consolidated Pay slab	Qualifications
Sr. Project Engineer/Scientist (1)	45000 – 48200 – 51400 – 55400 – 59400 – 63400 (+ HRA of 24%)	1st class M. Tech. / M.E. in Engineering with at least 2 years' hands-on experience in digital fabrication based prototyping OR 1st class B. Tech. / B.E. in Engineering with at least 4 years' hands-on experience in digital fabrication based prototyping.
Project Engineer/Scientist (1)	35400 – 37900 – 40400 – 43600 – 46800 – 50000 (+ HRA of 24%)	1st class B. Tech. / B.E. in Engineering with at least 2 years' hands-on experience in mechatronics based prototyping.
Project Assistant (1)	29200 – 31200 – 33200 – 35800 – 38400 – 41000 (+ HRA of 24%)	ITI (two years duration) in any Mechanical related trade with at least 10 years of experience in prototyping/assembly OR Diploma (3 years duration) in any Mechanical related trade with at least 3 years of experience in prototyping/assembly.
Project Assistant (1)	29200 – 31200 – 33200 – 35800 – 38400 – 41000 (+ HRA of 24%)	ITI (two years duration) in any Electronics/Electrical related trade with at least 10 years of experience in prototyping OR Diploma (3 years duration) in any Electronics related trade with at least 3 years of experience in prototyping.
Jr. Project Assistant (1)	21700 – 23200 – 24700 – 26700 – 28700 – 30700 (+ HRA of 24%)	ITI (two years duration) in any Mechanical/Electrical/Electronics related trade with at least 6 years of experience in prototyping/assembly OR Diploma (3 years duration) in any Mechatronics related trade with at least 1 years of experience in prototyping/assembly.
