

Minutes of the Meeting of the 20th Central Facilities Committee (CFC) held on 23.11.2022 in Board Room

The 20th CFC meeting was held in the Board room of IIT Delhi at 16:00 hours on 23rd November 2022. It was attended by the following members: Prof. Ambuj Sagar (Chairperson, DDSP), Prof. Sukumar Mishra (Associate Dean R&D), Prof. Pankaj Srivastava (ex Head, CRF), Prof. Bhanu Nandan, Prof. Neetu Singh, Prof. Deepak Kumar, Prof. Nityanand Goswami, Prof. Sameer Sapra (Head CRF) and Prof. Manidipa Banerjee (Convenor, Associate Head CRF). Prof PV Rao (Dean Planning) was a special invitee to the meeting.

The following agenda items were discussed.

1. Confirmation of the minutes of the 19th CFC meeting: The minutes of the 19th CFC meeting were confirmed as circulated.

2. Re-constitution of the CFC: It was decided to include the Dean Planning in the CFC, as the decisions made in the CFC have financial implications for the Institute. The same will be requested by DD S&P.

3. Re-appropriation of 1 crore from the emergency grant: The Head, CRF informed the CFC that INR 1 crore allocated for a multiphoton laser attachment from the emergency grant cannot be utilized due to purchase issues, and therefore has to be re-allocated for other purchases. The CFC decided to cancel this purchase and not utilize these funds for any purchase.

4. Planning for CRF day: The Head, CRF informed the CFC members about the plans to have a yearly CRF day to display all facilities to the Institute. The CFC members welcomed the initiative. The contents and format of the report to be presented by the CRF coordinators was discussed and approved. Further, the committee requested the Head CRF to ensure that all publications utilizing CRF facilities contain appropriate acknowledgement and are submitted in a repository for tracking and analysis.

5. Setting up of an animal house in the Sonipat campus: The CFC deliberated on the requirement of an animal house for IITD faculty and reflected on the previous discussions in the Institute regarding setting up on an animal house in the Sonipat campus in partnership with Ashoka University. It was decided that a committee be set up to quantify the requirements of IITD faculty in this respect. The committee will have the following members:

Prof Manoj Menon (KSBS)
Prof Jayanta Bhattacharyya (CBME)
Prof Manidipa Banerjee (CRF associate Head)

6. Finalizing the proposal policy and formats: The CFC agreed on the necessity for preparing a prioritized list of facilities/equipment to be purchased by CRF upon receipt of funding by the Institute, and decided that proposals be invited from the faculty, which will be followed by presentations to a separate evaluation committee. The presentations will be open to the Institute, and the prioritized list will be in effect for a period of one year. While the templates for submission of proposals and presentations were found to be broadly acceptable, these were finalized after circulation over email.

7. Discounted rates for Ashoka University: The CFC decided to provide all CRF facilities to users from Ashoka University at a 25% discount, in the spirit of neighborly cooperation and continued association.

8. Transfer of AECL inventory from Dr Abhishek Dixit to EE staff: Dr Abhishek Dixit had requested to transfer the equipment of the AECL laboratory from his inventory to that of an Electrical Engineering staff. The CFC refused this request as it was deemed essential that all inventory remain under CRF coordinators or staff for the purpose of accountability.

The meeting ended with a vote of thanks to the Chair.
