CENTRAL RESEARCH FACILITY

Minutes of Meeting of Central Facility Committee (CFC) held on 29th January, 2019 at 3:00 PM in the Board Room

Members present: Profs. M. Balakrishnan (DDS&P), Sameer Sapra (Assoc. Head, CRF), N.G. Ramesh, Amit Gupta, Shalini Gupta, Manidipa Banerjee, Ashwini Agrawal (Ex Head, CRF) and Pankaj Srivastava (Head, CRF)

The following points were discussed:

The agenda of the meeting was to finalize the procurement of those equipment/facilities for which clarification/additional information was sought from the proposers. The information provided was discussed and additional points/issues were discussed with the proposers, who were invited to attend the meeting. Based on these inputs, following decisions were taken on procurement of the following:

(i) Circular Dichroism Spectrometer (Combined with stop flow kinetics)

Based on the discussion and the comparison of the proposed system with the similar systems existing in IITD, it was decided to approve the purchase of the instrument.

(ii) Electrical Characterization setup

The procurement of the set-up was approved. The proposer was advised to get some inputs from other departments/centre to make the facility more useful for a number of users across the Institute.

(iii) Nano- and micron-size particle Tracking Analysis System

It was decided to approve the proposed instrument.

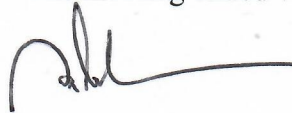

(iv) Centralized Radioactive Isotope Handling Laboratory

Certain operational and safety issues were discussed. It was decided to have a separate meeting with the potential users of this facility.

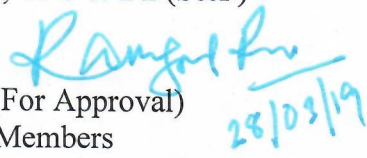

It was decided to initiate the purchase process of the equipment/facility listed as (i), (ii) and (iii). The estimated price of the approved equipment/facility is as follows:

S. No.	Name of the equipment/facility	Estimated Price (INR)
1.	Circular Dichroism Spectrometer	2 Crores
2.	Electrical Characterization setup	13.17 Crores
3.	Nano- and micron-size particle Tracking Analysis System	50 Lakhs

The meeting ended with vote of thanks to the Chair.
